Good Morning,

The Mobile Housing Authority regrettably announces Housing Choice Voucher (HCV) termination notices have been sent to more than 300 families.

The termination will be effective August 31st. Housing Assistance Payments (HAP) to landlords will stop September 1st.

For several months, MHA notified these families that their housing assistance would terminate if their annual recertification, which confirms eligibility for continued assistance, was not completed.

Unfortunately, many of the participants have been unresponsive after receiving 4 or more letter requests.

Recertification is necessary to keep Mobile Housing Authority's Housing Choice Voucher Program in compliance with the U.S. Department of Housing and Urban Development (HUD).

Once assistance is terminated on August 31st, participants will have 10 business days to request an informal hearing if they believe their non-compliance with federal requirements should not lead to termination.

Informal hearing requests shall be sent to HCVManagement@mobilehousing.org within 10 business days from August 31, 2022 and no later than September 15, 2022.

Residents with questions regarding the notices can visit our office or email us at ALR@mobilehousing.org.

We thank our residents for their participation. We truly hope our assistance has been helpful.
