Good Evening,

The city of Selma continues to recover from the EF-2 tornado that tore through the community on January 12th.

Following the devastation, team members of the Mobile Housing Authority and New Life Ministries began gathering essential items to help 16 Selma Housing Authority (SHA) households. These families lost everything in their public housing units and are being temporarily housed in area hotels.

On Monday, CEO Michael Pierce delivered the donated household and toiletry items, clothing, and \$3,200 worth of Visa gift cards.

The gift cards were courtesy of New Life Ministries.

The impacted residents and SHA staff were truly grateful and thanked MHA and the church profusely.

We thank them for their resilience. Cleanup is going to take some time. Our thoughts and prayers remain with the residents.
